

An Introduction of yourself

Model Answers:

A: I'm (name). (age) years old. I graduated from (name of university) with the Bachelors Degree in (major e.g. Engineering) in (year).
I have a Masters/Doctorate in (name of degree) that I earned from (name of university)

B: I'm (name), (age) years old. I have a degree in (Business, Advertising..) that I earned at (name of university) in (year)

C: I am _____ and I'm _____ years old. I have been working _____ in _____. I am loyal and optimistic. I am very structured and hard working. I make it a point that the work that is assigned to me will be accomplished on time and with excellence. I am determined, serious and daffy in almost everything I do. I am also a dreamer and goal oriented who always like to make an extra mile in whatever I am and I can. I always believe in the uniqueness of an individual. Everyone has his own strength and weaknesses. Many have said that I was also flexible which i could easily blend to a new environment.

You can also add:

I love:

- Reading books
- Watching movies
- Going to the gym
- Go bar hopping
- Window-shopping
- Listening to the music

I am a dependable person and I can deliver the work with minimum supervision. In whatever I do, I try to do my best. I'm a team player, and you can lean on me when times are tough.
