

Personal Finances

Dialogue:

Daniel: It's already the end of the month so we need to pay our bills.

Julia: Exactly, we already have here the bills for our electricity and water.

Daniel: Yesterday, I received the bills for our phone and cable.

Julia: We need to pay them all.

Daniel: Of course, we have to pay our personal finances first.

Julia: You're right, so we can avoid any delays. Don't forget our savings.

Daniel: Sure, that's one of the most important thing that we must not forget.
