

## Reflections or Not

### Dialogue:

Natalie: I had a dream last night.

Sheryl: Can you remember your dream?

Natalie: Yes, but do you know how to interpret dreams?

Sheryl: Somehow yes, why?

Natalie: Do you believe that what you dream is the reflection of your life in the present or it might be in the future?

Sheryl: Not really!

Natalie: Ok then, let's just talk about your dreams.

### Vocabulary:

- ✚ Interpret --- to explain the meaning of.
- ✚ Dreams --- series of images, ideas, emotions, and sensations occurring involuntarily in the mind during certain stages of sleep.
- ✚ Reflection --- The act of reflecting or the state of being reflected.

### Let's Do It:

1. Do you dream?
2. How often do you dream?
3. What is your usual dream?
4. Have you experienced a bad dream? What did you do then?
5. Do you believe that your dreams have something to do with your life? Explain your answer.
6. What is your latest dream? Please narrate your dream.
