

The Horrible News

Dialogue:

Samantha: have you heard about the horrible news recently?

Kirk: News? What about?

Samantha: News regarding the bomb found in the bus terminal.

Kirk: Nope! What happened?

Samantha: Someone placed a bomb under one of the passenger's seat.

Kirk: A bomb? Really? That's cruel!

Samantha: Exactly, and the worst thing, the bomb exploded and many were killed and injured.

Kirk: That's really bad news. Did they find out who did it?

Samantha: That's actually the problem because they have no hint on who did it.
