

Don't you have air-conditioning in your apartment?

Alice's apartment is very hot in summer because her apartment does not have air-conditioning. Do you know how she deals with the heat?

Tracey: Don't you have air-conditioning in your apartment? It's sweltering here!

Alice: Well, there's air-conditioning. Did you see that window air-conditioner there? The problem is that the window unit is not powerful enough.

Tracey: I guess not, huh.

Alice: Well, I'm going to move out anyway. The new apartment has central air-conditioning.

Tracey: You should've moved out long, long ago.

Alice: Well, I had to wait until the lease expired. So....

Tracey: So how can you stand the heat?

Alice: Well, I open the windows and...and I've got an electric fan here. It helps a little.

Vocabularies
