

## Let's celebrate!

### Dialogue:

Mark: Congratulations! You got the first prize.

Macy: Thank you so much.

Mark: I heard you really impressed the panel of judges.

Macy: Not really! I just did my best.

Mark: You know! According to them, you got their attention when you fully and clearly expressed the significance of the family.

Macy: Maybe because I was so confident on myself since my family is supporting me.

Mark: Wow! You're so lucky to get the reward and a good family at the same time.
