

## Sad to Hear

### Dialogue:

Nathan: Hello my dear cousin!

Richard: Oh hello! How are you doing?

Nathan: I'm great, thanks for asking.

Richard: By the way, is it true that your brother had passed away?

Nathan: Yes, he died last Thursday because of Pulmonary Infection.

Richard: Really! I'm so sorry to hear that.

Nathan: Don't mention it; anyway, our family had accepted the fact that our brother was gone already.

Richard: Well then, it's just sad that he's no longer around especially he's a jolly person.

Nathan: Exactly. We will miss him so much.
