

At the Picnic

Elle: Hurry up, Daniel. I can't smile for much longer.

Claire: Don't forget that the sun is shining brightly, that would affect the outcome of the picture.

Daniel: Oh no, I'm not sure which controls I need to alter.

Joey: Just press the black button on the right side of the camera.

Vocabulary:

- Forget --- to be unable to remember.
- Affect --- to have an influence on or effect a change.
- Controls --- to adjust to a requirement or to regulate.
- Alter --- to change or make different; or to adjust.
- Press --- to exert steady weight or force against; bear down on.

Expressions:

--- hurry up!

---- don't forget it.

---- oh, no!

Think About It:

1. Do you own a camera?
2. Who gave you the camera?
3. Do you think it's really important? Why?
4. When is the latest day you went out for a picnic?
5. What was your unforgettable picnic moment?
