

Unexpected Day

Dialogue:

Julia: Is your computer broken, Mary?

Mary: I don't know. I just don't understand it!

Julia: Why? What happened?

Mary : Can you help me fix with this?

Julia: Sure. Why not!

Vocabulary:

- Exactly --- in an exact manner; accurately.
- Fix --- to correct or set right.

Think About It:

1. Do you own a computer?
2. How do you take good care of your computer?
3. When your computer is not working properly, what do you do then?
4. Do you fix it personally or you ask for help?
5. Do you think computers are really important? Why?
