

## **LYING**

Today I lied to my mom when I told her I didn't take any test at school. I was afraid that mom would be disappointed with my result. I think there must be some cases when it is okay if people lie. In my case, I think I'm justified because I don't think the test is as important as my mom's feeling. But my friend told me that it was still a lie and that honesty is the best policy.
