

## **MARRIAGE (advance 2)**

Getting married leads as often as not, to very serious problems as well as much pleasure.

Staying single, though, gives one the opportunity to make decisions on one's behalf, and act on them without having to worry about the needs or feelings of another. Marriage may define your

Place in society you want to be part of.

### **VOCABULARY:**

Pleasure-a fundamental feeling that is hard to define but that people desire to experience

Opportunity-a possibility due to a favorable combination of circumstances

Behalf- as the agent of or on someone's part (usually expressed as "on behalf of" rather than "in behalf of")

### **Let's talk:**

1. What is your idea on marriage?
2. What is an ideal couple for you?
3. What are the advantages and disadvantages of being married?
4. How would you react if your husband/wife cheats on you?
5. Are you in favor of divorce? What advice could you give to people who want to marry?
