

## Plan for weekend

### Dialogue:

**Timothy:** What is your plan for weekend?

**Theodore:** I'm going to visit my grandparents in the province.

**Timothy:** That's great! I think you really miss them.

**Theodore:** Yes, you know the last time I visited them was three months ago.

**Timothy:** Really? That's too long already. I can say they too miss you.

**Theodore:** You're right. What about you, where will you spend your weekend?

**Timothy:** Only at home. I will just relax and spend more time with my family.

### Vocabularies:

**Weekend** – The end of the week, especially the period from Friday evening through Sunday evening.

**Grandparents** – A parent of one's mother or father; a grandmother or grandfather.

**Province** – political unit in a country

**Family** – group of people with the same goals and values; compose of father, mother and children
