

## Talking about university

A. How's your university?

B. It's great. I have lots of friends and there are a lot of great professors. I don't have much money, but that's OK. Also I'm really busy these days, so I don't have much time.

A. Are you enjoying it?

B. Sure, it's going well.

A. How many students are in your class?

B. We don't have many students, just eight.

A. That's great! You can study a lot.

B. Right. And I can talk to the professor a lot as well.

A. That's good.

### Vocabularies:

**University** - an institution for higher learning with teaching and research facilities constituting a graduate school and professional schools that award master's degrees and doctorates and an undergraduate division that awards bachelor's degrees

**Professor** - a college or university teacher who ranks above an associate professor
