

## The dinner

**Wayne:** What are we going to eat for dinner?

**Dianne:** I'm going to prepare some fried pork chops.

**Wayne:** I'm afraid that the meat is no longer fresh.

**Dianne:** That's awful! I just bought it the day before yesterday.

**Wayne:** Well, I forgot to put it in the refrigerator.

**Dianne:** Oh! That's bad. Now what should we eat?

**Wayne:** Why don't we eat out?

**Dianne:** Again? Weren't you just complaining that it's too expensive to eat out?

**Wayne:** Not when you're hungry.
