

## Until Hell freezes over

(A phone conversation)

Jonathan... It's been a long time since we talked.  
Sophia: You're right. It's because both of us are busy with our work.  
Jonathan: But you know, even how far we are from each other, I never for  
forget you, even just a single minute.  
Sophia: Same here, your my strength and my inspiration.  
Jonathan: I know that, that's why I value our family so much.  
Sophia: Me too... How much do you love me?  
Jonathan: Always remember this..." Until Hell freezes over."  
Sophia: And you remember this also... "My love for you will not end when  
my heart stops beating but rather when my soul is taken."  
Jonathan: We both know that... take care  
Sophia: You too...
