

**What do you see yourself doing in ten years?**

**A1: I see myself having an established career and enjoying time with my family.**

**A2: I see myself having contributed a lot in a company where I would be a part of**

**A3: I see myself being a better person than who I am today. Having better skills and acquired more knowledge and wisdom.**

**A4: I see myself as someone who have influenced other people to be better persons.**

**A5: I see myself as someone who had multiplied myself to other people, that is, I have shared everything I know and have helped others to live a better life and have helped others to reach their fullest potential.**
