

What do you think it takes to be successful in the chosen field?

ACTIONS TO BE TAKEN:

1. Much knowledge of everything, most especially in the field you've chosen.
2. Must have training and education and always be up-dated.
3. Positive thinking and broader perspective in life.
4. Commitment and passion must be considered.
5. Willingness to listen. Open to suggestions, criticism and possibilities.
6. Effective communication to all subordinates.
7. Showing empathy to the important needs of others.
9. Healthy relationship with co-workers.
10. Good management and leadership.
11. Being happy in the chosen field.
12. Constant growth: self, co-workers, leaders and the institution itself.
13. Continuous education.
