

## **If I Could Touch the Sky**

By: Natasha Josefowitz

If I could touch the sky  
I would grab a star  
And hang it in my bedroom

If I could touch the sky  
I will pull down the moon  
And use it  
To light up my room

If I could touch the sky  
I would touch a cloud  
And use it for my pillow

If I could touch the sky  
I would give away  
All the stars that are there  
To sprinkle everywhere

Who would you give the stars to?
